

LEEP2 Ground Floor

1	Planes Inspired by the Wild	American Institute of Aeronautics and Astronautics	LEEP2 G411	4	Emergency Bone Filler	Society for Biomaterials	LEEP2 G415
2	Safari Pasta Busses	Alpha Sigma Kappa	LEEP2 G411	5	Crystal Radio + Monopole Motor	Eta Kappa Nu	LEEP2 G416
3	Artificial Lungs	Society of Biomedical Engineering	LEEP2 G415	6	Snap Circuits Survival Edition	Inst. of Electrical and Electronics Engrs	LEEP2 G416

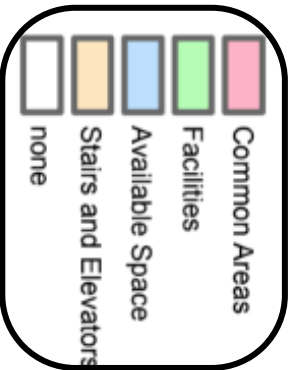

LEEP2 First Floor

7	Construction in the Jungle	Association of General Contractors + KU Steel Bridge	LEEP2 1420
8	Explorers Magnetic Quest	Society of Hispanic Prof. Engineers	LEEP2 1430
9	FirreFly Lightbulbs	Illumination Engineering Society	LEEP2 1430
10	Coding for Kids: Mapping a Route	National Society of Black Engineers	Next to Coffee Shop
11	A Robotics Expedition	KU Robotics Club	Next to Balcony
12	A Journey into the World of Transportation	KU Institute of Transportation Engineers	LEEP2 1416
13	Safari Filtration	Engineers Without Borders	LEEP2 Atrium
14	The Eco Expedition	US Green Building Society	LEEP2 Atrium
15	Code A Creature	Women in Computing	LEEP2 Atrium

LEEP2

Second Floor

16	Jungle Escape Car	American Society of Mechanical Engineers	LEEP2 2300
17	JAD Jungle Expedition	Jayhawk Aerospace Design	LEEP2 2300
18	Wilderness Shelter Challenge	American Society for Civil Engineers	LEEP2 2425
19	Wild Berry DNA Extraction	Society of Women Engineers	LEEP2 2425

20	Rainy Day Shelter Building	Theta Tau	LEEP2 2420
21	Exploring Reservoirs: Oil Drilling Challenge	Soc. of Petroleum Engineers	LEEP2 2420
22	Jayhawk Puzzle Party	Assoc. of Computing Machinery	Spahr Library
23	Craft Stick Chain Reaction	Soc. of Asian Scientists and Engineers	Across from Elevator
24	Explorer Wristbands + Oil Spill Cleanup	KU Chemistry Club	LEEP2 2416

Learned First Floor

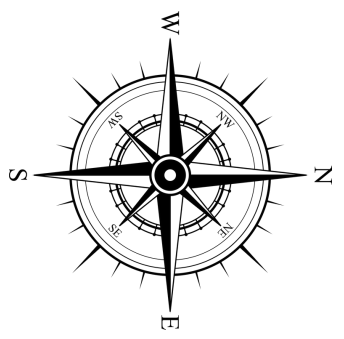

Common Areas

Facilities

Available Space

Stairs and Elevators

none

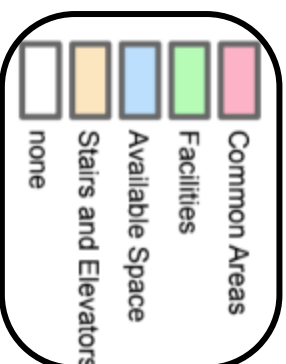

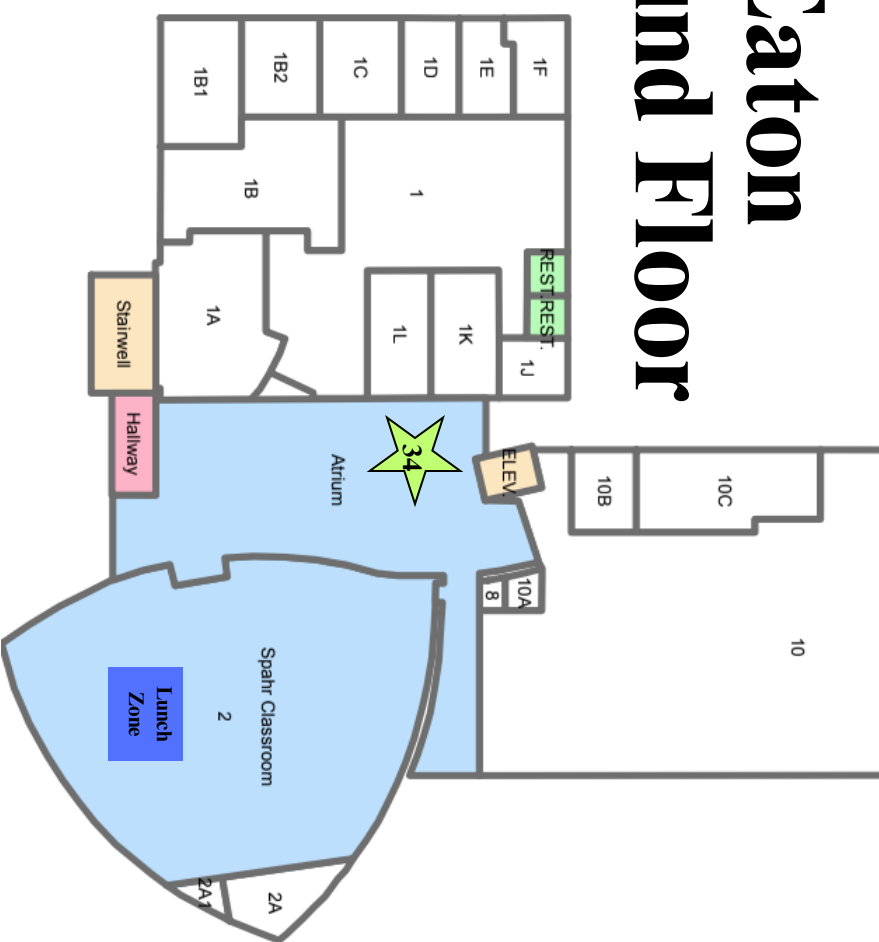

25	Bermuda Grand Prix	Jayhawk Motorsports	Learned 1109
26	Jumanji Catapult	Out in STEM	Learned 1136
27	Airplane Adventure	Tau Beta Pi	Learned 1131
28	Safari Car Races	American Society of Heating, Refrigeration, and Air-Conditioning Engineers	Learned Hallway
29	Soap Boat Voyage	American Institute of Chemical Engineers	Learned Hallway

Eaton First Floor

Eaton Ground Floor

30	Exploring the Earth Through Satellite Imagery	KUbeSat	Eaton 1010
31	Capture the Flag Expedition	KU Information Security Club	Eaton 1014
32	AI Chess Safari Showdown	KU Artificial Intelligence	Eaton 1018
33	Build a Paper Canoe	KU Concrete Canoe	Eaton Hallway
34	Launch Into the Wild	KU High Power Rocketry	Eaton Atrium

Welcome to Engineering EXPO!

Dates and Times:

Sunday February 25, 2024, 12pm-3pm (Public Day)

Monday February 26, 2024, 9am-3pm (School Day)

Sunday February 25th, 2023

This day will be completely open to the public. We hope you'll check out this great event hosted by the KU School of Engineering and don't forget to bring your friends and family!

Monday February 26th, 2023

Lunch will be held outside (weather permitting) on the LEEP2 lawn or in the Eaton Auditorium (look for signs saying "Lunch Zone"). Schools will also have space to regroup and place their belongings in LEEP2 room 2415 (look for signs saying "School Central").

Important Information:

In this packet you will find building maps with numbers denoting the location for each activity/demo (in green) and competition (in teal).

Engineering Student Council members wearing EXPO T-shirts are also available to answer questions and help you locate classrooms; they love to help!!
