

Wonderful Institute for Sustainable Engineering

Safety Day Presentation

BE THE HELP UNTIL HELP ARRIVES

Presented by: Douglas County Emergency Management Board

From calling 9-1-1, to stopping bleeding, positioning the injured, and providing comfort, you can make a difference. During the midst of an emergency, preparedness can help remake what it means to be a bystander.

Friday, April 17th

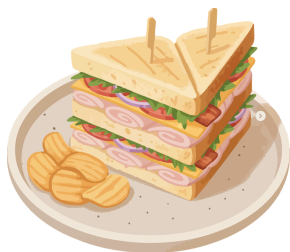

10:00AM - 12:00PM Training
12:00 - 1:00 PM Lunch

Burge Union, Forum B
In-Person Only
